Indicative Expectations from Service Recipients

S.No.	Indicative Expectations from Service Recipients
1	State Governments should establish State Level Nodal Agency (SLNA) and other institutional structures as per Guidelines (available at www.dolr.nic.in) and oversee overall implementation of watershed projects through SLNA.
2	State Governments should ensure that all sanctioned posts are filled, that personnel posted in the institutions are not transferred frequently so that they get reasonable tenure to do the work efficiently, and that there is correlation between expertise/experience and nature of the job.
3	State Governments should submit regular reports and returns and should promptly update the State/Central databases with regard financial and physical data on the portal/website for the purpose, including expenditures.
4	SLNA should prepare a perspective and strategic plan of watershed development for the State on the basis of plans prepared at the block and district level and indicate implementation strategy and expected outputs / outcomes, financial outlays and submit it along with Preliminary Project Reports (PPRs) prepared by the Districts to DoLR for appraisal and clearance of projects by the Steering Committee.
5	SLNA should sanction projects for the State on the basis of projects appraised by the Steering Committee, and should release the State share timely.
6	SLNA should communicate the financial sanction of the projects to WCDCs and the PIAs and provide technical support to them
7	SLNA should ensure preparation of technically sound Detailed Project Reports (DPRs) for the projects sanctioned, and submit Annual Action Plans to DoLR.
8	SLNA should provide technical support to PIAs from time to time.
9	SLNA should establish monitoring, evaluation and learning systems at various levels including on-line monitoring.
10	SLNA should prepare State specific Process Guidelines, Technology Manuals etc. in consultation with the DoLR/ NRAA/ Resource Organizations and operationalise the same.
11	SLNA/ State Government should ensure timely submission of complete proposals for release of funds for ongoing projects under DDP, DPAP, IWDP and IWMP. The complete proposal would mean a proposal from SLNA/ State along with all the requisite documents required as per norms issued by Watershed Division, from time to time, and admissible to Integrated Finance Division as a 'complete proposal' worth financial concurrence without seeking any further details or clarifications.
12	States/UTs should ensure timely preparation of State/UT Perspective Plan for the NLRMP
