

Additional Secretary (LR)

F. No.12/Dir.(LR)/2012-LRD

Dated 14.08.2012

Dear

As you are aware that this Department is holding Regional Review Meetings zone-wise in various parts of the country. Various States/UTs have progressed differently in ushering in the system of modern & effective land records management system. Such a system is essential for effective Governance and for providing a host of citizen centric service in a shorter & faster way. In this review one thing has been noted in many States i.e., the slow progress with regard to Survey/Re-survey/. Haryana State has done considerable work in this vital activity of the NLRMP. It is hoped that an experience sharing of other States/UTs will give an impetus to this component of the NLRMP also.

Accordingly, two day workshop is being organized on 6th & 7th September, 2012 in Hissar, Haryana. You are requested to block these date for the aforesaid workshop. Further details will be sent to you separately & also hosted on the website of this Department i.e. dolr.nic.in.

With warm regards.

Yours sincerely,

(Prabhudayal Meena)

All the Principal Secretaries/ Director of Land Records/ Settlement Commissioner
Revenue Department of the States/UTs.

(For any quarry kindly contact K. K. Phull, Under Secretary (M-09818259955,
