Dear

Today I reviewed Reforms for DB – 18 Indicator 3: Registering Property with concerned officers, including Secretary Revenue, NCT of Delhi, IG Registration, Government of Maharashtra, Director, DIPP and representatives of World Bank.

I am enclosing a Note indicating the Position and Suggested Activities in respect of each of the Measures required to be taken in Delhi and Mumbai. P. 435-410/02

The original timelines for completion of the Measures have already expired. I would appreciate that the suggested action is undertaken as expeditiously as possible, well before the revised timelines indicated.

Yours sincerely,

(Dinesh Singh)
