Date: 29th April, 2015

To,

CEO SLNAs All

Subject: - Implementation of PFMS in IWMP

Sir,

As you aware that the Department is making continuous towards the implementation of the PFMS in IWMP. So far around 90% agencies at various levels in the States have been registered. A number of trainings have been conducted at New Delhi, regional centers of INGAF and in the State Headquarters. In addition, Standard Operating Procedure for registration of agencies and other training material are available on DOLR website.

It is requested that States should start using the PFMS for all financial transactions and ensure that under no circumstance expenditure or transfer of funds is done outside the PFMS system. However in case where a payment is required to be done outside the PFMS, that information must be entered in expenditure filing module in PFMS system immediately to keep the information up to date.

Please ensure compliance.

Yours faithfully,

**(Dr. Sandeep Dave)
Joint Secretary**

Copy to Chairman, SLNAs All for information.
