The Chairman,
All SLNAs

Subject: Implementation of Public Financial Management System (PFMS) in IWMP.

Sir,

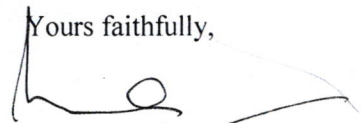

A decision has been taken by the Department of Land Resources to implement PFMS in IMWP. As a part of the roll out, training on registration was conducted on 2nd December 2015. Another training for the next level of implementation has been scheduled in the regional offices of CGA-PFMS from 3rd to 11th February 2015. The Department intends that all financial transactions take place through PFMS from the next financial year starting 1st April 2015.

2. Directions were given from this Department regarding the completion of registration of all the agencies at the State, District, PIA and Watershed Committee(WC) levels by 31st December 2014, which was extended to 31st January 2015. While the registration of agencies at the State, District and PIA levels are progressing at a satisfactory pace, the registration of agencies at the Watershed Committee level which form the bulk of the agencies to be registered are progressing slowly. While, the Department is coordinating with CGA-PFMS to resolve some technical issues, it is important that the registrations of the WCs are done in a mission mode and completed by the deadline.

3. It is requested that a review of the implementation of PFMS at your level may be undertaken so that the task of registration may be completed in a time bound manner as per schedule.

Yours faithfully,

o/c
