Subject: Implementation of PFMS in Integrated Watershed Management Programme (IWMP) - reg.

Sir/Madam,

We have had the opportunity of witnessing the presentation of Odisha SLNA on implementation of PFMS (previously CPSMS) during the Best Practices Workshop in Bengaluru on 3rd September, 2014. Implementation of PFMS has enabled Odisha SLNA in better financial management and control over expenditure under IWMP. In addition, this system is helping to keep finances always updated and has enabled efficient tracking of funds through all the subordinate agencies and implementing the programme. This best practice needs to be replicated in all the states. This system has been developed by Controller General of Accounts, Ministry of Finance and is free of any usage charges.

2. Keeping in view the benefits of PFMS in IWMP, the Ministry is of the opinion that PFMS should be implemented in all the SLNAs in a time bound manner.
3. I would therefore request you to implement PFMS in your state in the Integrated Watershed Management Programme preferably in one month time. The details about PFMS can be found on the website www.cpsms.nic.in. You may also contact Director (WM), DoLR in case of any difficulty or further clarifications in this regard.

Yours faithfully,

(Sandeep Davè)
Joint Secretary
