To,

The Chairperson/CEO SLNAs All

Subject: Implementation of PFMS in IWMP

Sir,

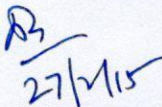

I am directed to enclose a status report of the registration of agencies in PFMS. It can be seen that the number of registration consolidated at the national level has just reached about 66% with a lot of variation in the achievement of various States. It is requested that this work may be taken up in a mission mode and registration of **ALL** the agencies must be completed at the earliest.

2. Trainings at regional level were conducted at the beginning of February 2015 in which all the States were covered. It is requested that further trainings at the level of the states may be organised under information to this Department for the staff at WCDC, PIA and WC level.

3. Digital certificates that are to be procured must be taken up on priority to complete the process of preparation to roll out PFMS in the States.

3. As and how the States are ready, they must start using PFMS for making payments and transfers to the subordinate agencies, vendors, beneficiaries, SHGs etc. It is again re-iterated that all the expenditure under IWMP will be done through PFMS from the next financial year.

Yours faithfully,

27/2/15
Amit Kumar
Director (WM)
